

Review:

## **Disaster Cafe, Costa Brava, Spain**

### **Medium 5-12 pounds**

**Disaster Cafe**, Platja de Fenals, 9, Tel 972 360 250. The sign on the door says it's 'a dangerous place to eat' and this is one restaurant that has to be experienced to be believed. Set in the suburb of Fenals, a 10-minute walk from Lloret, this themed restaurant has all the thrills and spills of an adventure park. Survive an earthquake, meet aliens, experience a subterranean storm - and if you survive, enjoy your food! Not for the fainthearted this one, but the kids will be kept entertained for hours. Offers a varied international menu, although indigestion tablets may come in useful after your meal! Medium E8-18 (about 5-11 pounds).
